Teaches group & private lessons.

Do I want Private Lessons or Learn To Skate Group Classes?

Private lessons are individual lessons. They may be scheduled throughout the day during a public session or in a freestyle session (schedules are available at the front desk). We currently have 20 instructors on staff. Each instructor sets their own rate (between \$60.00 and \$80.00 per hour) and scheduling. If you are interested in setting up a private lesson: talk to the instructor directly or contact Caroline Baker/Skating Director, at 817-419-0095. Lessons are usually done in 15 minute increments. Skaters pay the coach directly and session fees are paid at the front desk.

Learn to Skate Group classes are offered on Tuesday, Wednesday, Thursday, Friday or Saturday. Classes meet once a week for 30 minutes. Skaters receive free skate rental on the day of their class plus unlimited free public skating admission during the LTS class session. Each skater will also receive 3 free guest admission passes. There is a 10% discount (Full price classes) for additional family members. Our classes follow the ISI (Ice Skating Institute) curriculum. We accept enrollment forms at any time for our 7 or 8-week sessions. If you have any questions contact Caroline Baker/Skating Director at 817-419-0095.
