

## ***Do I want Private Lessons or Learn To Skate Group Classes?***

**Private lessons** are individual lessons. They may be scheduled throughout the day during a public session or in a freestyle session (schedules are available at the front desk). We currently have 15 instructors on staff. Each instructor sets their own rate (between \$40.00 and \$72.00 per hour) and scheduling. If you are interested in setting up a private lesson: talk to the instructor directly or contact Caroline Baker/Skating Director, at 817-419-0095. Lessons are usually done in 15 minute increments. Skaters pay the coach directly and session fees are paid at the front desk.

**Learn to Skate Group classes** are offered on Tuesday, Wednesday, Thursday or Saturday. Classes meet once a week for 30 minutes. Skaters receive free skate rental on the day of their class plus unlimited free public skating admission during the 8-week class session. Each skater will also receive 3 free guest admission passes. There is a 10% discount for more than one family member. Our classes follow the ISI (Ice Skating Institute) curriculum. Skaters may enroll at anytime into one of our 8-week sessions/cost \$112. For Home School students we offer 4-week sessions on Tuesday or Thursday for \$59.00. If you have any questions contact Caroline Baker/Skating Director at 817-419-0095.
